Expansive family home with incredible curb appeal! We are confident you are going to fall in love with this lovely house as soon as you arrive at the address and see its incredible brick construction, gabled roofs, and well-manicured front yard.

It has three bedrooms, two bathrooms, and plenty of space for all your lifestyle needs. You'll be amazed as soon as you walk through the front porch and into the generously sized welcoming foyer. Keep walking, and you'll find the functional kitchen, with plenty of storage space in its ample cabinets and large walk-in pantry, an island for cooking or eating, and a lovely breakfast nook where you can enjoy casual meals with your family.

Find your secluded retreat in the generously sized bedrooms, boasting vast windows and walk-in wardrobes, and they share a cleverly designed bathroom. On top of that, the main suite boasts a deluxe ensuite with a walk-in shower, a bathtub, a double vanity, and a separate toilet to maximize privacy and comfort. You'll also find a flexible space next to the dining room that you can use as a fourth bedroom, a home office, or an at-home art studio - your choice!
