This home combines comfort and simplicity with its covered front porch, back patio, and wood-look tile flooring that runs from the entry through the family room and nook area, creating a welcoming environment for any guest.

The designer open-concept kitchen is a highlight of the home, offering a view of the family room while seamlessly flowing into the nook. You can enjoy everyday moments while cooking in the kitchen, as you'll never be too far from the action. The kitchen features quartz countertops, stainless steel appliances, beautiful white cabinets, and a breakfast bar that can seat up to three people.

As you enter the home from the foyer, you can access the two-car garage or continue into the family room. This light-filled area has direct access to the large covered rear patio, perfect for outdoor living and making new memories or cherishing old ones.

The master bedroom is secluded and includes a wall of windows and a spacious walk-in closet. Through the double doors, you'll find an adjoining master bath with dual vanity, a separate walk-in shower, a linen closet, and a garden tub with a ledge - offering luxury and convenience.

This lovely home boasts two bedrooms with linen closets for convenient storage, as well as easy access to a full bath, and a separate utility room with ample space for a full-sized washer and dryer. These fantastic features make this home a true delight!
