With its traditional living area, open-concept floor plan, and wood-look tile floors, this home offers the perfect blend of style and comfort. Create lasting memories while entertaining family and friends on the outside patio.

The kitchen is packed with amenities such as stainless steel appliances, quartz countertops, and ample counter and storage spaces. Enjoy early morning coffee or daily family meals in the breakfast nook, which has windows overlooking the front porch.

Tucked away from the family room is the master suite, allowing parents a quiet retreat at the end of each day. Enjoy a large room with vaulted ceilings, natural light, and a large walk-in closet. The adjoined master bathroom features a dual sink vanity, a large garden tub, a separate walk-in shower, and a linen closet.

The two additional bedrooms at the front of the home are practically perfect! Kids, visitors, and anyone else who needs a spot to stay will love their private space with the added bonus of walk-in closets. For busy households on the go, having quick access to a full bathroom and nearby utility room helps save valuable time. And for one last bonus, these bedrooms are conveniently close to the two-car garage so you can quickly get on your way.

With chic design features around every corner in a warm and friendly atmosphere, don't miss out on this dreamy home!
