Welcome to your dream home! This stunning four-bedroom, two-bathroom floorplan is perfect for laid-back, spacious, and everyday living.

The heart of any home is undoubtedly the kitchen, and this one does not disappoint. With its beautiful granite countertops and stylish wood cabinets, this kitchen is any chef's dream. The added convenience of the corner walk-in pantry makes meal preparation a breeze, and the stainless steel appliances, add a touch of modern sophistication to the space.

The ample natural light that floods the breakfast nook will provide a warm and inviting atmosphere to enjoy your morning coffee, overlooked only by the beauty of nature outside. With an outdoor patio right off the kitchen, you can take your meal outdoors and enjoy the fresh air and views. And if you prefer to stay inside, the adjacent family room makes it easy to entertain while you cook.

Experience the ultimate in luxury living with the private and spacious master suite of this home. Be greeted by breathtaking views over the backyard that await you every morning as you enter your sanctuary. The double doors open into your very own grand and elegant master bath with twin vanities, a garden tub, and a separate shower to wash away the stresses of your day. The grandeur extends to your large walk-in master closet where you can indulge in all the space you need to house your personal belongings.

Three other guest bedrooms or the kids' room have their own closets and provide easy access to a full bath, ensuring that every member of your family can have their own private sanctuary to retreat to at any time.

A two-car attached garage with internal access provides secure vehicle storage and easy access to the utility room. This home is perfect for entertaining, relaxing, and enjoying the best of everyday living.
