Step inside this beautiful single-level home and you are welcomed into a large, open-concept floor plan boasting plenty of entertaining areas that also offer parents privacy with a secluded master retreat. Off the foyer is a peaceful study with double doors making it perfect for those that need to work from home or enjoy some hobbies in peace. A formal dining room allows you to host dinner parties or those family mealtimes. The kitchen is a culinary dream, with loads of storage and counter space to be prepared to cook delicious meals all while still enjoying time with your family. Open to the kitchen and breakfast nook is the spacious family room, an area designed to bring friends and family together. The exclusive master suite is set back from the family room. Enjoy a large room with vaulted ceilings and a built-in window seat. The adjoined master bathroom is complete with a dual sink vanity, a separate walk-in shower with a seat, a large garden tub, and a spacious walk-in closet. Two additional bedrooms are housed in their own wing, making them perfect for kids or guests. Both bedrooms have easy access to a full bathroom, as well as a full-sized utility room, making it easy to keep your home tidy. For convenience, direct access to the two-car garage is located at the front of the home.
