Welcome to your new home! This beautiful single-story floor plan focuses on privacy and comfort. The kitchen will not disappoint, a space designed to be the hub of the home. With ample storage and counter space, stainless steel appliances, white cabinets, granite countertops, an 11ft island with pendant lights, and a large walk-in pantry. Plus, the kitchen provides direct access to the two-car garage through the utility room, helping you enter and exit your home with ease. Nothing quite beats waking up in the morning, feeling the warmth of the sun on your face while having a hot, tranquil breakfast. This cozy little breakfast nook with a built-in window seat and access to the rear-covered patio is just the place for that. It provides all the serenity needed to have a relaxing meal. For those who love spending time with their family and friends, having a spacious family room with a stone fireplace is perfect for enjoying some good company and creating amazing memories to last a lifetime. The exclusive master suite is set back from the family room, providing parents optimal privacy and relaxation at the end of each day. Enjoy a large room with vaulted ceilings. The adjoined master bathroom has a dual sink vanity, a separate walk-in shower, a large garden tub, and a spacious walk-in closet. If you're in need more of space for your family or overnight guests, then these two additional bedrooms with large closets have got you covered! Not only do they provide a lot of room for your growing kids or visiting friends, but the full bathroom directly connected to each room ensures privacy and convenience.
