This home truly has it all! From the wood-look tile floors, and covered back porch to the split bedrooms, this is a perfect family home. Step into the grand foyer and you'll find formal dining room with plenty of natural light that will make for perfect family meals and warm gatherings. The two additional bedrooms in the front of the house make them ideal for kids or guests, with easy access to a full bathroom. The family room is perfect for entertaining with a luxurious stone fireplace, alongside access to the beautiful covered patio. If you're looking to show off your cooking prowess, look no further than this well-equipped kitchen! Who could resist all those wondrous stainless steel appliances and granite countertops. The large kitchen island makes it easy to prepare meals in comfort, while if you ever run short of ingredients there are always the extra supplies in the nearby corner pantry. And after you've whipped up something amazing, who could say no to a sunny breakfast nook, the perfect spot for those early morning coffee chats or lazy Sunday meals. The exclusive master suite is set back from the family room. This space can provide parents with optimal privacy and relaxation at the end of each day. The Master Bath features a separate tub and shower with a seat along with dual sink vanity leading to the closet! The two-car garage is located at the front of the home, along with the full-sized utility room. This comfortable, open floorplan is large enough to entertain guests and family while still retaining its charm and privacy for you and your family.
