Welcome to the ultimate dream home, where luxury and comfort collide! Picture yourself in this haven with a gas-starter stone fireplace, a covered patio, and wood-look tile flooring - it's a paradise you won't want to leave. This stunning floorplan boasts four bedrooms and two bathrooms, offering the perfect blend of opulence and everyday excitement.

The kitchen is a dream come true! With a center island, granite countertops, breathtaking cabinets, stainless steel appliances, and a tucked-away walk-in pantry, it's a chef's haven. Enjoy the sunny breakfast nook or unwind by the cozy gas-starter stone fireplace in the family room while you bond with your loved ones.

The thoughtful design extends to the three guest bedrooms, ensuring comfort and convenience. Each comes with its own closet and easy access to a full bath, making your guests feel right at home with plenty of storage space for their belongings.

Now, let's talk about the private master suite - it's a sight to behold! Glorious backyard views, a luxurious master bath with twin vanities, a garden tub, and a separate shower add to the sense of opulence. Plus, the large walk-in master closet is every fashionista's dream.

Convenience is key, and this home has it all! The attached garage with internal access to the utility room means no more walking through rain or snow to reach your car. Simply step out of your home and into your vehicle, shielded from the elements.

Don't let this fantastic opportunity slip through your fingers - come and make this dream home yours today!
