Perfect for families or those who like to host guests. This single-level open-concept floor plan boasts large entertaining areas while ensuring parents enjoy privacy with a secluded master retreat.

Step inside from the covered front porch and the foyer with boxed ceilings welcomes you into your home. Just off the foyer is the private study with double doors, an ideal space for those needing to work from home or a quiet place to enjoy hobbies. Continuing passed the study is the formal dining room, an open space to host dinner parties or enjoy everyday family mealtime.

The open-concept kitchen is a space designed to be the hub of the home. With ample storage and counter space, stainless steel appliances, beautiful white cabinets, a curved island, a walk-in corner pantry, and quartz countertops. The kitchen opens to a breakfast nook with a built-in window seat and has direct access to the covered patio.

Open to the kitchen and breakfast nook is the spacious family room with a gas starter stone fireplace, an area designed to bring friends and family together. The exclusive master suite features vaulted ceilings and a built-in window seat. The adjoined master bathroom is complete with a dual sink vanity, a separate walk-in shower with a seat, a large garden tub, and a spacious walk-in closet.

Two additional bedrooms, a full bathroom, and a full-sized utility room are housed in their own wing. The two-car garage is located at the front of the home, making entering and exiting your home very convenient.
