A gorgeous one-story 3-bedroom home includes a formal dining room at the entrance and a double door study which is conveniently located next to the master in the back of the house. No matter your style, this flexible floorplan is easy to make uniquely your own. This expansive kitchen features a window over the sink, a large center island with bar seating, granite countertops, a walk-in pantry, stainless steel appliance, beautiful gray cabinets and an abundance of storage. In true transitional style, the kitchen is open to the breakfast nook with a built-in seat and a large window that allows plenty of natural light to fill the room. Beautiful wood-look tile flooring throughout the family spaces is complemented by the stone gas fireplace in the family room. When it's time to relax, the family room provides views over the backyard to watch the sunrise or sunset. A luxurious master suite enjoys the view over the yard from the built-in window seat. Relax in style in the beautiful master bathroom with twin sinks, a soaking tub, a walk-in shower with a seat, and a large walk-in closet. Two additional bedrooms with linen closets are housed in their own wing, and across the hall is the full bathroom and the utility room. The two-car garage is located at the front of the home, making this home perfect for new homeowners.
