Step inside this two-story floor plan and the vast foyer welcomes you into your home. Just off the foyer is the formal dining room, a great place for friends and family to gather. Continue down the foyer and pass the staircase to enter the open-concept family room and kitchen, a space designed to be the hub of the home. With ample storage and counter space, stainless steel appliances, a huge island, quartz countertops, and a large corner walk-in pantry, the chef of the family will certainly enjoy this space. The kitchen is open to a breakfast nook, a nice space for quick, everyday meals. The breakfast nook also provides direct access to the rear covered patio, an ideal space for enjoying your home outdoors. The family room is flooded with natural light and has a gas burning tile fireplace, creating a space for friends and family to gather. Located at the rear of the home and tucked away from the living spaces is the all-inclusive master suite. Enjoy a large room filled with natural light and an adjoining master bathroom complete with dual vanities, a large corner garden tub, a separate walk-in shower, and a huge walk-in closet. A powder room with a linen closet, a utility room, and access to the two-car garage complete the lower level. Complete with three additional bedrooms, a full bathroom with a linen closet, and a huge game room, the upper level offers the ultimate kid's retreat!
