Designed to accommodate large or growing families this open-concept, two-story floor plan provides plenty of living space while offering areas for a quiet retreat.

Choose from six different front elevations, each featuring unique optional stone, and intricate brick details. Step in from the front porch and into the foyer with boxed ceilings, drawing you into the formal dining room. Flooded by natural light, this joyous space is perfect for hosting weekend brunch or enjoying everyday family mealtime.

Connected by a butler's pantry and located in the heart of the home is the open-concept kitchen. The kitchen features a central island, stainless steel appliances, ample counter and storage space, and a large walk-in pantry. It also opens to a breakfast nook with a built-in window seat, providing a perfect seat for early morning coffee or additional seating for guests.

Featuring a spacious room filled with natural light, the family room creates an inviting space for friends and family to gather. Choose to add warmth to this space by adding an optional corner fireplace. The family room also provides direct access to the optional rear covered patio, an ideal space for enjoying your home outdoors.

Just off the family room is the master retreat, allowing parents a quiet space at the end of each day. Enjoy a large room and an adjoining master bathroom featuring a dual sink vanity, large garden tub, separate walk-in shower with a seat, and a huge walk-in closet.

A powder room, full-sized utility room, and access to the three-car garage complete the first level. Three additional bedrooms, two full bathrooms, and a spacious game room are located on the second level, creating the optimal kid's retreat. Are family movie nights a staple in your home? Choose to add a pre-wired media room just off the game room to complete your home!
