Feel right at home in this 3-bedroom, 2-bathroom, single-story floor plan with a focus on privacy and comfort. The spacious layout and clever design allow you to enjoy your own space in the discreet master retreat or entertain friends and family in your transitional kitchen and open-concept family room. Prepare family meals in the kitchen, which boasts plenty of storage and counter space, stainless steel appliances, and a wrap-around breakfast bar. The kitchen is also open to the breakfast nook with a built-in window seat, as well as access to the rear-covered patio. Offering opulence, class, and style, the master suite is something truly special. The adjoining master bathroom features dual walk-in closets, dual sink vanity, a large garden tub, and a separate walk-in shower. Designed to offer additional privacy, two additional bedrooms are set at the opposite end of the home from the master suite. Both bedrooms have easy access to a full bathroom. Just across the hall is a large utility room that provides quick access to the two-car garage.
