This open-concept floor plan offers warm and welcoming spaces while providing a traditional living area. With wood-look tile floors and an oversized backyard with a covered patio, this home has it all!! Designed over a single sweeping level, this open-concept floor plan offers warm and welcoming spaces while providing traditional living areas. The spacious family room features a wall of windows, that creates an inviting space for friends and family to gather. Connected by a wrap-around breakfast bar is the kitchen. The kitchen features stainless steel appliances, a tile backsplash accent the granite countertop, gorgeous cabinets, and ample counter and storage space. It also opens to a breakfast nook with windows, filling this space with natural light. Tucked away from the family room are the master suite and the rear covered patio, allowing parents a quiet retreat at the end of each day or to go enjoy their home outdoors. The master suite features a large room with vaulted ceilings, natural light, and a large walk-in closet. The adjoined master bathroom features a dual sink vanity, a large garden tub, and a separate walk-in shower. Two additional bedrooms with walk-in closets have easy access to a full bathroom, making them perfect for kids or guests. For added convenience, a full-sized utility room and the two-car garage are located at the front of the home.
