Sure to tick all the boxes, this home is as comfortable and luxurious as functional and spacious. Dramatic entry with two adjacent box-ups, grand stonework, intricate brick, and a striking porch will leave a lasting impression. Sure to be the hub of the home is the open-plan, wood look tile floors that flow from the kitchen, breakfast nook, and family room. Outside a covered patio awaits which is an ideal space for enjoying your home outdoors. Whether you're preparing an intimate dinner for two or a gourmet feast, the kitchen will make cooking a pleasure. There's an island, whirlpool stainless steel appliances, a walk-in pantry, and granite countertops. Towards the front of the home, you'll find a formal dining room and a private study. All three secondary bedrooms are grouped and offer built-in closets plus quick access to a second full bath. The master suite sits at the rear of the layout with a large window and bench seat offering views over the backyard. There's a walk-in closet and a master bath with a garden tub, a vanity, and a private toilet. The corner tub maximizes the space and allows for a separate shower with a seat. Completing this impressive layout is an attached two-car garage, plus there's a separate utility room. Your friends and family will find this home inviting and warm while you enjoy all the spaces to entertain and make memories for years to come.
