This open-concept floor plan offers warm and welcoming spaces while providing a traditional living area. With wood look tile floors, a tile surround gas-burning fireplace, and an oversized backyard with a covered patio, this home has it all!!! Beautiful white kitchen cabinets and tile backsplash accent the granite countertops. The kitchen features stainless steel appliances, ample counter and storage space, and a pantry. Tucked away from the family room is the master suite, allowing you a quiet retreat at the end of each day. Enjoy a large bedroom with vaulted ceilings, natural light, and a large walk-in closet. The adjoined master bathroom features a dual sink vanity, large garden tub, separate walk-in shower, and linen closet. Step in from the covered front porch and into the foyer, welcoming you into the spacious family room. Enjoy early morning coffee or daily family meals in the sunny breakfast nook, located at the front of the home. Two additional bedrooms are located toward the front of the home, making them perfect for kids or guests. Both bedrooms feature walk-in closets and have easy access to a full bathroom and laundry room. For added convenience, a full-sized utility room has direct access to the two-car garage are also located at the front of the home.
