Experience the ultimate dream home with a gas-starter stone fireplace, covered patio, and wood flooring. This stunning four-bedroom, two-bathroom floorplan offers laid-back luxury and everyday living excitement.

The kitchen is a culinary enthusiast's paradise, featuring a center island, quartz countertops, stainless steel appliances, beautiful cabinets, and a corner walk-in pantry. From here, you can overlook the sun-soaked breakfast nook or enjoy the warmth of the family room's gas-starter stone fireplace while chatting with friends.

Three thoughtfully designed guest bedrooms provide comfort and convenience, each with its own closet and easy access to a full bath. Your guests will feel right at home, with plenty of storage space for their belongings.

The private master suite boasts glorious backyard views, a luxurious master bath with twin vanities, a garden tub, and a separate shower. The large walk-in master closet adds to the sense of opulence.

When it comes to convenience, nothing beats having an attached garage with internal access to the utility room. Say goodbye to walking through rain or snow to reach your car; now you can effortlessly step out of your home and into your vehicle, shielded from the elements. Don't miss out on this fantastic opportunity to live in this dream home!
