The laid-back, spacious, and everyday living you've been dreaming of awaits in this stunning four-bedroom, two-bathroom floorplan.

The breakfast nook provides direct access to the covered patio and the family room features a gas starter stone corner fireplace. Both are complete with oversized windows that frame views over the backyard.

Whether you're a regular master chef or simply love preparing meals for guests, the kitchen is designed to delight. There's a center island and ample counter space, quartz countertops, stainless steel appliances, white cabinets, and a corner walk-in pantry. From here, you can overlook the sun-soaked breakfast nook or chat with friends in the family room while cooking up a storm.

As you explore the spacious layout of this beautiful home, you'll discover that three guest bedrooms have been thoughtfully designed to provide the ultimate in comfort and convenience. Each of these inviting rooms features its own closet, giving your guests plenty of storage space for their clothing and personal belongings. And with easy access to a full bath, they'll have all the amenities they need to feel right at home.

The private and spacious master suite awaits. Here, you can take in glorious views over the backyard while double doors open into your luxurious master bath. There are twin vanities, a garden tub, and a separate shower where you can wash away the stresses of the day. A large walk-in master closet is also all yours to enjoy.

A two-car attached garage, with internal access, provides secure vehicle storage and easy access to the utility room.
