Step inside from the covered front porch and the foyer with boxed ceilings welcomes you into your home. Just off the foyer is the private study with double doors, an ideal space for those needing to work from home or a quiet place to enjoy hobbies.

The open-concept kitchen is a beautiful statement piece that brings efficiency and style to your home. With the combined features of ample storage, stainless steel appliances, white cabinets, quartz countertops, a curved island for guests to gather around, and a walk-in corner pantry for stocking up on food staples. Adding to the kitchen's charm is a sunny breakfast nook with a cozy built-in window seat that provides direct access to the covered patio.

The open-concept family room with its gas-burning stone fireplace creates a perfect gathering place for friends and family. It's easy to imagine evenings spent in comfortable conversation while the fire crackles in the background.

For extra relaxation, take advantage of the luxurious master suite — boasting vaulted ceilings and a built-in window seat. You'll enjoy the spa-like atmosphere of the connected master bathroom, complete with a dual sink vanity, spacious walk-in shower with seat, garden tub, and ample walk-in closet. This is one home sure to provide relaxation and comfort for all its occupants.

Located in its own wing, the two additional bedrooms with linen closets and quick access to a full bathroom offer a great space for growing families. They also provide an opportunity for entertaining out-of-town guests. One of the most convenient features of this house is its two-car garage and the full-sized utility that is located at the front. This makes entering and exiting your home every morning and night worry-free and efficient.
