This lovely one-story home offers an open-concept design with the family room and master retreat at the back of the home. Just off the foyer is the study with double doors, an ideal space for those needing to work from home or a quiet place to enjoy hobbies. Next is the formal dining room, an open space to host dinner parties or enjoy everyday family mealtime. Continue to the open-concept kitchen, a space designed to be the hub of the home. With ample storage and counter space, stainless steel appliances, a curved island, and a walk-in corner pantry, day-to-day life is made easy. The kitchen opens to a breakfast nook with a built-in window seat, a sunny space to enjoy early morning coffee or additional seating. The breakfast nook also provides direct access to the covered patio, an ideal space for enjoying your home outdoors. Open to the kitchen and breakfast nook is the spacious family room, an area designed to bring friends and family together. The master suite is a great place for parents to have optimal privacy and relaxation at the end of each day. Enjoy a large room with vaulted ceilings and a built-in window seat. The adjoined master bathroom is complete with a dual sink vanity, a separate walk-in shower with a seat, a large garden tub, and a spacious walk-in closet. Two additional bedrooms are housed in their own section of the home, making them perfect for kids or guests. Both bedrooms have easy access to a full bathroom, as well as a full-sized utility room, making it easy to keep your home tidy. For added privacy and convenience, direct access to the two-car garage is located at the front of the home.
