Experience the epitome of luxury and comfort in this exquisite single-level home. It boasts three generously sized bedrooms, providing ample space for guests or family. Two elegant studies with double doors offer both privacy and sophistication - strategically positioned at the entrance and rear of the house.

Prepare to be impressed by the spacious kitchen, complete with a sink window, a generously sized central island with bar seating, granite countertops, stainless steel appliances, and beautiful cabinets with abundant storage. The transitional design seamlessly connects to the breakfast nook, featuring a built-in seat and large windows that flood the room with natural light.

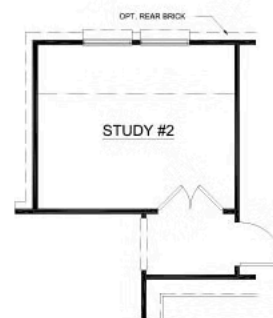

The family room provides a cozy space for relaxation and offers easy access to the covered patio in the backyard, perfect for enjoying family meals or unwinding with a good book.

Indulge in luxury within the master suite, featuring a built-in window seat overlooking the yard. The elegant master bathroom presents twin sinks, a soaking tub, a walk-in shower with a seat, and a spacious walk-in closet.

Two additional bedrooms are nestled in their own wing, offering ample storage with linen closets. A full bathroom and designated utility room further add convenience to everyday living.
