This open-concept floor plan offers warm and welcoming spaces while providing a traditional living area. With wood-look tile floors, a tile fireplace, and an oversized backyard with a covered patio, this home has it all!!

The beautiful kitchen features beautiful cabinets, quartz countertops, stainless steel appliances, ample counter and storage space, and a pantry. Enjoy early morning coffee or daily family meals in the breakfast nook, which has windows overlooking the front porch.

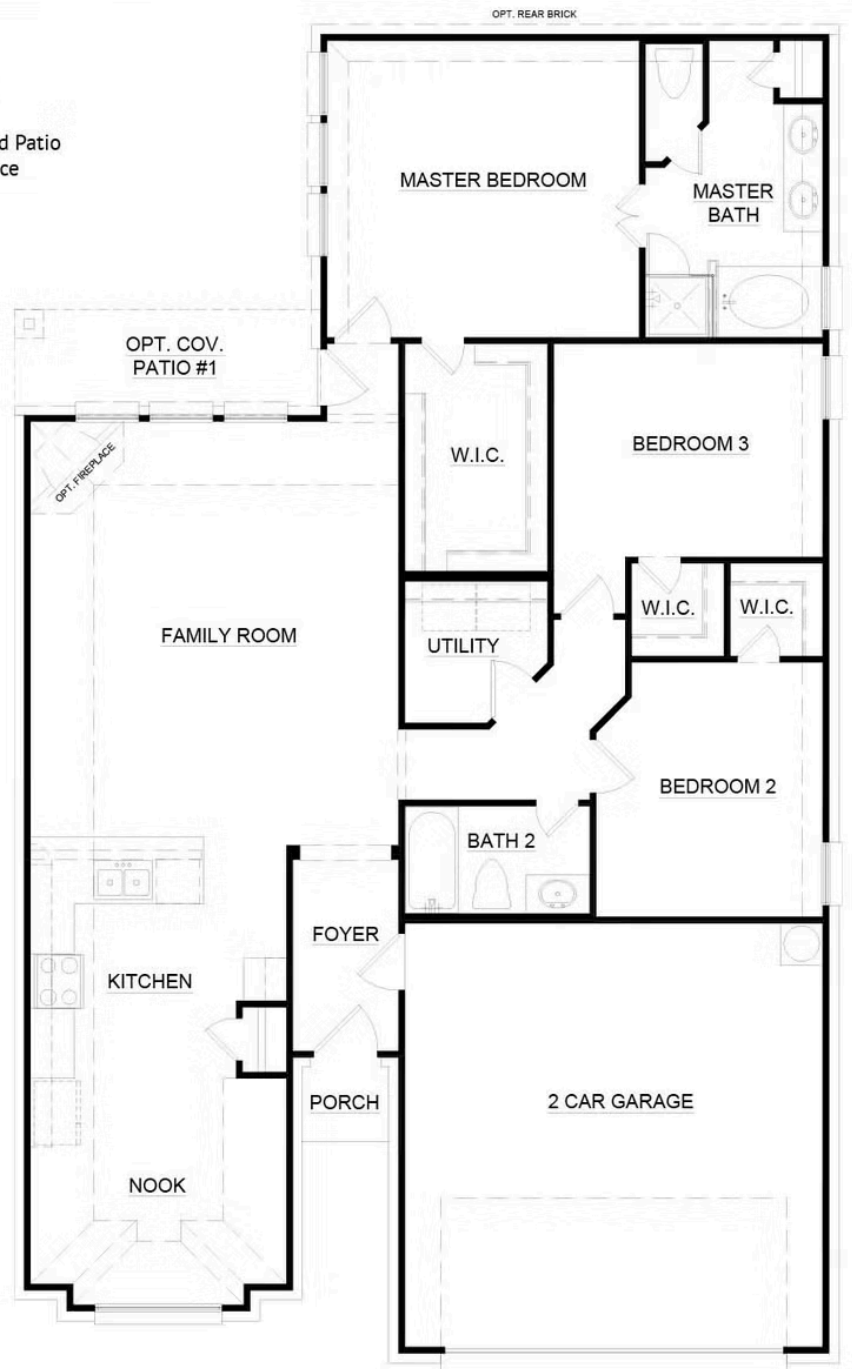

Tucked away from the family room is the master suite, which features vaulted ceilings, natural light, and a large walk-in closet. The adjoined master bathroom features a dual sink vanity, large garden tub, separate walk-in shower, and linen closet.

Two additional bedrooms are located toward the front of the home, making them perfect for kids or guests. Both bedrooms feature walk-in closets and have easy access to a full bathroom and the utility room. The two-car garage is also located at the front of the home.
