- Optional Fireplace
- Optional Covered Patio

Designed over a single sweeping level, this open-concept floor plan offers warm and welcoming spaces while providing traditional living areas.

Choose from seven different front elevations, four featuring unique optional stone, and intricate brick details. Step in from the covered front porch and into the foyer with boxed ceilings, welcoming you into the spacious family room. Featuring a wall of windows, the family room creates an inviting space for friends and family to gather. Choose to add warmth to the family room by adding an optional corner fireplace. Connected by a central island is the open-concept kitchen. The kitchen features stainless steel appliances, ample counter and storage space, and a large walk-in pantry. It also opens to a breakfast nook featuring a built-in window seat, providing additional seating. The breakfast nook also provides direct access to the optional rear covered patio. Choose from two different sizes to suit your outdoor living needs. Tucked away off the family room is the master suite, allowing parents a quiet retreat at the end of each day. Enjoy a large room with boxed ceilings and the adjoining master bathroom featuring a dual sink vanity, large garden tub, separate walk-in shower with a seat, and huge walk-in closet.

Two additional bedrooms are located toward the front of the home, making them perfect for kids or guests. Both bedrooms have easy access to a full bathroom and coat closet. For added convenience, a full-sized utility room and direct access to the two-car garage are also located at the front of the home.
