Introducing our stunning open-concept floor plan! Step into the welcoming foyer with boxed ceilings and be drawn into the spacious family room with its wall of windows and cast stone fireplace. This is the perfect place for gatherings with friends and family. The centerpiece of this layout is the fabulous kitchen, complete with stainless steel appliances, ample counter and storage space, and a walk-in pantry. Enjoy meals in the breakfast nook, which features a built-in window seat and direct access to the rear-covered patio. Parents will love the secluded master suite, boasting boxed ceilings and a luxurious master bathroom with a dual sink vanity, garden tub, walk-in shower, and a huge walk-in closet. And for kids or guests, there are two additional bedrooms with easy access to a full bathroom. Added conveniences include a full-sized utility room and direct access to the two-car garage. Experience the perfect blend of traditional living and modern style in this stunning home design.
