Treat yourself to style and elegance with this beautiful four-bedroom, two-bathroom home. A covered porch welcomes you home, while inside a study with double doors and a formal dining room are set off the foyer. Step into the main living space, where an open-plan, wood look tile flooring, and a light-filled layout allows a seamless flow from the family room into the kitchen and dining nook.

The family room is the perfect place to cozy up on cold winter nights by the beautiful cast stone fireplace. Meanwhile, the kitchen has been thoughtfully designed with custom details in mind: white cabinets, granite countertops, stainless steel appliances, and a large center island that make it easy to whip up gourmet meals. For more relaxed meals and conversations, gather around the sunny breakfast nook or head outside to enjoy refreshments on the covered patio in your very own backyard oasis!

The luxe owner's suite offers a retreat for the hustle and bustle of everyday life. Double doors lead into the grand ensuite with twin sinks, a walk-in closet, and a soaking tub for the ultimate relaxation.

The three guest bedrooms, all with walk-in closets, are tucked away in their wing alongside the hall bath with twin sinks. The utility is also found in this wing, along with access to the two-car garage.
