- Formal Dining Room
- Optional Fireplace
- Optional Covered Patio #1 and #2

Warm and welcoming over a single sweeping level, this three-bedroom, two-bathroom home offers bright and open plan living.

Choose from six different front elevations, each featuring unique optional stone, and intricate brick details. Step in from the covered front porch and into the expansive foyer with boxed ceilings. The foyer leads you to the formal dining room which opens to the family room, making it easy to keep everyone connected when entertaining.

The kitchen features a large central island, stainless steel appliances, ample counter and storage space, and a huge walk-in pantry. It also opens to a breakfast nook with bay windows, filling this space with natural light. The breakfast nook also provides direct access to the rear covered patio. Choose from two different sizes to suit your outdoor living needs.

The spacious family room features a wall of windows and offers an open space for friends and family to gather. Choose to add warmth to the family room by adding an optional corner fireplace.

Tucked away off the family room is the master suite, allowing parents a quiet retreat at the end of each day. Enjoy a large room with vaulted ceilings and natural light. The adjoining master bathroom features a dual sink vanity, large garden tub, separate walk-in shower with a seat, and a huge walk-in closet.

Two additional bedrooms are located toward the front of the home in their own wing, making them perfect for kids or guests. Both bedrooms feature double door closets and have easy access to a full bathroom. For added convenience, a full-sized utility room, linen closet, and direct access to the two-car garage are located at the front of the home.
