This inviting home offers plenty of room to both relax and entertain. Step inside the door from the covered porch and breathe in the freshness of shiny wood look tile and lovely boxed ceilings in the foyer. Off this charming entryway lies an amiable study filled with soft carpeting, perfect for reading a book, tapping away on a laptop, or engaging in a creative project, all without interruption. Whether snuggling up with family or hosting friends, this spacious home boasts plenty of living space to make every moment insouciant. Two bedrooms featuring linen closets have quick and easy access to a full bathroom, a spacious utility room, and a small closet. The master suite provides an extra level of privacy with its large room. Plus, its walk-in closet and adjoined master bathroom with a dual sink vanity, separate walk-in shower, and gorgeous decorative tiling coupled with a luxurious garden tub will make it so you never need to leave the comfort of your own home in order to experience the spa-like indulgence. Whether you are preparing an intimate dinner for two or a gourmet feast for guests, you are sure to enjoy the designer kitchen. There is a center island, corner walk-in pantry, granite countertops, stainless steel appliances, white cabinets, ample counter and storage space, and a corner walk-in pantry. The kitchen also provides direct access to the rear two-car garage. Beyond the fancy foyer lies the open-concept kitchen, breakfast nook, and family room, a place for all your entertaining needs! With lots of windows to showcase the view outside, there's no shortage of natural light inside. Not to mention, the family room accesses a large balcony where you can chill out with friends or just admire the scenery in privacy. Together, these make up one neat package that never fails to make coming home worthwhile.
