Whether you're looking for a room to spread out and relax in, a space for entertaining friends and family, or simply a place you can be proud to call your own, you can't pass up this fantastic floorplan! The layout is generous in its design and with wood look tile floors, a bright and welcoming kitchen, a breakfast nook, and a family room are the perfect entertainment spots. The three secondary bedrooms are tucked away from the living spaces. The kitchen sits at the heart of this home with features such as a huge window over the sink, stainless steel appliances, easy access to the nook area, and beautiful gray cabinets. A central island with quartz countertops services both the open-concept family room and a breakfast nook. The master suite is secluded in its own hallway and features an oversized walk-in closet, dual vanities, a garden tub, and a walk-in shower. The master bath will feel so airy! An oversized double garage offers secure vehicle storage along with internal access via the utility room. This gorgeous home could offer the lifestyle you have always dreamed of for your family.
