This grand and timeless concept is perfect for growing families looking for a smaller space without having to sacrifice privacy or openness in the living areas. Step in from the covered front porch and enjoy a foyer with boxed ceilings, welcoming you inside. Set just off the foyer is the study with double doors, a space to work from home, or simply enjoy doing hobbies. The open-concept kitchen, which is centered in the heart of the home, features a large central island, beautiful white cabinets, granite countertops, stainless steel appliances, ample counter and storage space, and a corner walk-in pantry. Wandering through the kitchen, you find a delightful surprise: a breakfast nook that's perfect for cozy morning conversations. Its bright window seat creates the ideal amount of sun-filled ambience while allowing extra seating when entertaining guests. Beyond the breakfast nook lies a magnificent family room that emanates inviting warmth and is bathed in natural light. This sunny space easily accommodates friends and relatives for gatherings and it's conveniently connected to a rear covered patio for extended outdoor visits. The master suite is your own private oasis of pure comfort and luxury. It includes boxed ceilings and a generous walk-in closet that will quickly become your favorite spot for storing away all of your clothing and accessories. But that's not all - a luxurious master bathroom with two sinks, additional storage, a deep garden tub, separate seatless shower, and even a secluded linen closet are also featured in this unique space. For convenience, beyond the master suite is the utility room and access the two car garage. If you're looking for extra space to accommodate kids or guests, then look no further! This home has two additional bedrooms with cozy linen closets, as well as a third bedroom with a luxurious walk-in closet. And that's not all - these amazing bedrooms all have easy access to a full bathroom with both dual sink vanity and a linen closet. You'll be able to keep everyone in the house comfortable and content with ease.
