The ultimate in relaxed modern living awaits in this impeccably-designed and spacious single-family home. Spanning two levels, the layout has been crafted to offer multiple living spaces ensuring there's plenty of room for everyone to spread out and relax or entertain guests in style. Entry is via the covered porch and inviting foyer that beckons you inside to explore further. There is a study to your left with double entry doors and a bedroom with walk in closet to the right, which is perfect for guest and has easy access to the full bathroom. The heart of the home is the open-plan wood look tile flooring, light-filled and spacious kitchen, breakfast nook and family room. The family room features an abundance of oversized windows frame which views over the yard while a door leads out to the covered patio. Love to cook? The kitchen is a gourmet have complete with a walk-in pantry, beautiful white cabinets, granite countertops, stainless steel appliances and a center island. Also on this main level is the show-stopping master suite with a large walk-in closet and an impeccably-appointed master bath. Here, the new owner's will adore the double vanity, garden tub, private toilet and walk-in shower with a seat. A two-car garage and a utility room complete this lower level ensuring absolute convenience and functionality. The upper level is centered around a large game room promising endless hours of fun for people of all ages. Two bedrooms are perched on this level, both with walk-in closets and easy access to a full bath. This truly is a comfortable and contemporary home you can make your own.
