Warm and welcoming over a single sweeping level, this open-concept 4 bedroom, 2 bathroom floor plan offers bright and airy spaces suited for everyday living. Step inside from the covered porch and into the vast foyer with boxed ceilings. Wood floors flow from the entry through the kitchen, nook, and family room. The foyer opens to the formal dining room, the ideal space for hosting dinner parties or enjoying quality family mealtime.

Set at the heart of the home is the open-concept kitchen, making it easy for everyone to stay connected. The spacious kitchen is complete with ample counter and storage space, a large central island, stainless steel appliances, granite countertops, gorgeous cabinets, and a corner walk-in pantry. The kitchen opens to a breakfast nook with a built-in window seat, providing a sunny space to enjoy early morning coffee or for additional seating.

The family room of this home is a great place to get together, able to fit the whole family and their friends comfortably. The natural light that it enjoys is inviting and brightens up the room. It even leads straight out to the back-covered patio so that one can easily transition between inside and outside activities.

The master suite is the ultimate place to enjoy privacy, relaxation, and comfort within one's own home. With a large bedroom, dual vanities, garden tub, and separate walk-in shower all at your disposal, you can indulge in the luxury of peacefulness without leaving your house. If a quick venture out is required, direct access to the 2-car garage ensures swift entry and exit.

Three additional bedrooms are all located at the front of the home, away from the living spaces making them perfect for kids or guests. All three bedrooms have access to a full bathroom with a dual sink vanity, as well as a full-sized utility room, making it easy to keep your home tidy.
